flavor our grandparents
can appreciate.

Gina Marie has been the Original All-Natural Cream Cheese for over 40 Years!

We have used the the original recipe for our Gina Marie® Cream Cheese for over 40 years using no artificial ingredients, gums, stabilizers, or fillers, and only three simple ingredients: Cultured Milk, Cream, and Salt.

We still use the traditional, old-fashioned 3 day process of draining the cream cheese in muslin bags. Gina Marie Cream Cheese has a unique cult following for its lighter, fuller texture and fresh, creamy flavor..

Available in 8oz Chubs, 2.5lb Chubs, and 5lb Chubs
